*Please refer to Page 29 for the current status of the Renewal and Replacement Fund No. 751.

About the Fund:

Public Utilities - Water and Sewer is an enterprise fund which accounts for operation of the City's water and wastewater facilities. The fund provides for the operation of the City's treated and untreated water, as well as, receive and process wastewater generated in a service area that includes the City, certain municipalities and unincorporated communities in the Houston metropolitan area. Some of the City's largest customers are other cities and water authorities which supply water to their own customers.
